A new level of luxury farm stay in Queenstown

Taking inspiration from traditional farmhouse living, Farm at The Hills features expansive barn-style sliding doors that welcome the outside in, just 20 minutes from Queenstown International Airport. Become a part of the living oil painting that includes the stunning grounds and surrounding mountain vistas.

Enjoy art at every turn

Pockets of eclectic art are thoughtfully positioned throughout, and statement pieces of furniture are as visually appealing as they are comfortable. Its contrasting cedar, steel and concrete add a modern, premium twist.

Open plan living in an entertainers paradise

Featuring an expansive open plan living, dining and kitchen space, it's ideally suited for entertaining. The living area leads out to a sheltered outdoor dining space with open fire, which can be enjoyed all year round. A separate media room provides the perfect cozy spot for a movie night. There is also a fitness area to exercise amid the breath-taking mountain views.

The main house has four impeccably designed bedrooms, sleeping up to 8 guests. The master features his & hers walk in wardrobes and ensuite bathroom with bath tub. The remaining three bedrooms are situated within their own wing, each with their own ensuite bathroom.
