Cooks Beach – Coromandel Region – North Island of New Zealand

Mercury Ridge offers elegant boutique Coromandel accommodation with enviable views across picturesque Cooks Beach and Mercury Bay

The charming, modern Mediterranean villa is nestled in an elevated, north-facing position encased by an orchard, vineyard and native reserve. Here, you'll experience a peaceful and relaxing stay among nature with achingly beautiful scenery at every turn.

Mercury Ridge is located enviably in one of the most scenic, convenient, and peaceful parts of the Coromandel Peninsula. It is only a few minutes' walk to the charming township of Cooks Beach or a short, 15-minute drive to the famous Hot Water Beach and Cathedral Cove, some of New Zealand's most recognizable attractions.

Built with relaxed comfort in mind, all 5 luxurious suites feature panoramic views over Mercury Bay's sparkling waters. Complimentary mini bar, platter, local wines, and beers are at hand to be enjoyed on arrival. The property also boasts a large kitchen, dining, and multiple entertaining areas, with a chef on hand (additional cost) to create fresh seasonal dishes for small or larger groups. For a more relaxed dining experience, your hosts can organize pre-prepared meals or organize return transfers to local eateries.
