

A wide-angle photograph of a modern architectural terrace. The terrace is paved with large, light-colored rectangular tiles. On the left, a building with a textured stone facade and large glass windows is visible. In the background, a large body of water (Lake Hayes) stretches across the middle ground, with snow-capped mountains in the distance under a dramatic sunset sky with orange and blue hues. A stone tower with a metal railing stands on the right side of the terrace. The overall scene is serene and scenic.
