The Space

Outside: breathtaking 270-degree mountain views, and oversized outdoor terraces. Inside: details like a fully-stocked wine cave, a custom chandelier and moss-and-stone fireplace, and a Steinway baby grand piano (which has been played by Justin Timberlake!) make it unique. The great room, with its custom-designed, mountain-inspired, nine foot hanging chandelier, is one of the most idyllic gathering spaces for families and groups in all of Colorado.
